

# Peter Criss - Destiny

Tom: C

Verse:

You knew I was a singer  
 A child of radio  
 Not so far the dream you had  
 A long long time ago  
 Before I ever saw your face  
 I knew you by sight  
 And when we came together  
 It was destiny in the night

Chorus:

Destiny  
 In the night  
 Destiny  
 In the night  
 Destiny in the night  
 When we touch and I hold you tight  
 Destiny  
 In the night  
 When we kiss and it feels so right  
 Feels so right  
 Feels so

Verse:

Love was just a banjo  
 All down along the line  
 Fate was just a mirror  
 In a stranger's eyes

I knew you were the actress

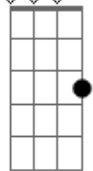

Whose act would set me free  
 And when we came together  
 We called it destiny

Chorus:

It was destiny  
 In the night  
 Destiny  
 In the night  
 Destiny in the night  
 When we touch and I hold you tight  
 Destiny in the night  
 When we kiss and it feels so right  
 Feels so right  
 In the night  
 It was destiny, destiny  
 In the night, in the night  
 It was destiny, destiny  
 In the night, in the night  
 Destiny in the night  
 When we touch and I hold you tight  
 Destiny in the night  
 When we kiss and it feels so right  
 It was destiny, destiny  
 In the night, in the night  
 Destiny in the night  
 When we touch and I hold you tight
