

Peter Frampton - Baby I Love Your Way

Tom: C

shadows grow so long before my eyes, and they're moving,
 across the page
 suddenly the day turns into night, far away, from the city
 but don't, hesitate, cause your love, won't wait

ooh, baby i love your way
 wanna tell you i love your way
 wanna be with you night and day
 moon appears to shine, and light the sky, with the help, of
 some firefly
 wonder how they have, the power to shine, shine, shine
 i can see them, under the pine

but don't, hesitate, cause your love, won't wait

ooh, baby i love your way
 wanna tell you i love your way
 wanna be with you night and day
 i can see the sunset in your eyes, brown and grey, and blue
 besides
 clouds are stalking islands in the sun, i wish i could buy
 one, out of season
 but don't, hesitate, cause your love, won't wait

ooh, baby i love your way
 wanna tell you i love your way
 wanna be with you night and day
