 Intro: (Peter Frampton):

Here's the intro, I'm not sure if it's 100% right, but it sounds good when you play it.

Progression of the song: Peter Frampton and Bob Mayo play the same thing

A

Acordes

Woke up this morning
E
 with a wine glass in my hand
A
 blah blah, blah blah, why the hell did I die?
A
 must have been a dream
E
 I don't believe where I've been
A
 come on, let's do it again
D **F**
 Do you, you
C **D**
 feel like I do...

I think it pretty much repeats that progression through the rest of the song.
 Sorry, I can't remember all the lyrics from the song.
