

# Peter Manos - In My Head

Tom: C

Am Em  
I know it's not the same, but I feel it anyway  
C F  
Tell me if that's okay  
Am Em  
No, I'll be on my way, should've known, now I feel insane  
C F  
Am I insane

Am Em  
I've waited way too long, yeah, I know you've changed  
C F  
You have a different face to me  
Am Em  
I guess that I was wrong I'm the one to blame  
C  
And that's a shame you see

Am Em C F  
Ooh, you're in my head and I keep on forgetting  
Am Em C F  
Ooh you're here instead and it seems never ending  
Am Em C F  
Ooh I know, I know you've changed, you don't feel the same  
Am Em Dm  
Ooh you're in my head

Am Em  
You say it's all alright but you're not who's up at night  
C F  
You'll probably say "we tried"  
Am Em  
This feels like all a lie, while you tend to try and hide  
C F

Your hold has got me tight

Am Em

C F  
You have a different face to me  
Am Em  
I guess that I was wrong I'm the one to blame

And nothing else is right, you're laced inside my mind  
F Am  
I'm holding on, I know it's wrong but I can't see your side  
G Em  
Everything has changed, you're only in my brain  
F Em  
I can't seem to let this be but I guess I'll refrain
