Whatcha gonna do when your well runs dry?

Listen to me, darling
You cheat and you lie
Now you come a running
Running, wanting second try
You never miss your water
Till your well runs dry

Tell me, tell me
Whatcha gonna do when your well runs dry?
Whatcha gonna do when your well runs dry?
Whatcha gonna do when your well runs dry?
I'd like to know
Whatcha gonna do when your well runs dry?

Sat down and sighed
And I heard you packing
I watched you pass by me
But you said nothing, not one single word
But I know you're gonna miss me
And you're gonna be blue

But tell me, tell me
Whatcha gonna do when you're feeling blue, Lord?
Whatcha gonna do, woman, when you're feeling blue?
Whatcha gonna do when you're feeling so blue?
I'd like to know
Whatcha gonna do when you're feeling blue?

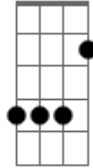

(solo)

Tell me, tell me
Whatcha gonna do when you're feeling blue?
Whatcha gonna do when you're feeling blue?
Whatcha gonna do when you're feeling so blue?
I'd like to know
Whatcha gonna do when you're feeling blue?

Whatcha gonna do when your well runs dry, woman?
Whatcha gonna do when your well runs dry?
Whatcha gonna do when your well runs dry?
Whatcha gonna do?
I'd like to know...
