Listen to me, darling  
You cheat and you lie  
Now you come a running  
Running, wanting second try  
You never miss your water  
Till your well runs dry

Tell me, tell me  
Whatcha gonna do when your well runs dry?  
Whatcha gonna do when your well runs dry?  
Whatcha gonna do when your well runs dry?  
I'd like to know  
Whatcha gonna do when your well runs dry?

Sat down and sighed  
And I heard you packing  
I watched you pass by me  
But you said nothing, not one single word  
But I know you're gonna miss me  
And you're gonna be blue

But tell me, tell me  
Whatcha gonna do when you're feeling blue, Lord?  
Whatcha gonna do, woman, when you're feeling blue?  
Whatcha gonna do when you're feeling so blue?  
I'd like to know  
Whatcha gonna do when you're feeling blue?

(solo)

Tell me, tell me  
Whatcha gonna do when you're feeling blue?  
Whatcha gonna do when you're feeling blue?  
Whatcha gonna do when you're feeling so blue?  
I'd like to know  
Whatcha gonna do when you're feeling blue?

Whatcha gonna do when your well runs dry, woman?  
Whatcha gonna do when your well runs dry?  
Whatcha gonna do when your well runs dry?  
Whatcha gonna do?  
I'd like to know...
