Quando me lembro
Do ruído da cancela
Do cherinho da panela
Do terreiro da usina
Uma sanfona
Uma zabumba uma viola
Eu ali contando história
No ouvido da menina
Como era bela
A lua nova do engenho
Fazer amor
No meio do carnaval
Felicidade cadê tu
Que hoje não tenho

Minha esperança
Se perdeu na capital
Como é que eu vou
Dizer no meu computador
Se a home page
Não tem cheiro e nem chora
Da alegria da saudade do amor
Que o tempo nunca leva
embora
Do beijo da morena
Daquela cor de canela
Do doce da banana
Do caju da graviola
Do cheiro do tempero
Da comida na panela
Do toque da sanfona
Do zabumba e da viola
