

Phantom Planet - Always On My Mind

Tom: A

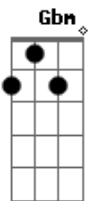

A Gbm E
 D A
 Everybody in this place can up and move away
 D A
 For all I care this town's already dead and empty
 D
 I'm told that I'm a victim of obsession
 A E Gbm
 That's what my friends say
 D E
 Oh I'm a fool for having ever let her tempt me
 A E
 Well I turn pale when she walks by
 Gbm A
 I am lost in her eyes
 D A
 She is always on my mind
 D A
 She is always on my mind
 D A
 She glances over but she keeps on walking down that street
 D A E
 All I can do is hope that she is thinking of me
 D A E
 Gbm
 If I could blink if I could breathe if I could get my legs to move
 D E
 Well this could be the day I get this girl to love me
 A E
 Well I turn pale when she walks by
 Gbm A
 I am lost in her eyes
 D A
 She is always on my mind
 D A

She is always on my mind
 Gbm A
 She had turned from a sound,
 D Gbm
 Well I must have cried out loud
 D A
 She is always on my mind
 D A
 She is always on my mind
 A Gbm E D Gbm D Gbm
 D A E
 Gbm
 If I could blink if I could breathe if I could get my legs to move
