

# Phil Collins - All Of My Life

Tom: C

All of my life, I've been searching  
 For the words to say how I feel  
 I'd spend my time thinking too much  
 And leave too little to say what I mean  
 But I've tried to understand the best I can  
 All of my life

All of my life, I've been saying sorry  
 For the things I know I should have done  
 All the things I could have said come back to me  
 Sometimes I wish that it had just begun  
 Seems I'm always that little too late  
 All of my life

CHORUS:

Set' it up, I'll take a drink with you  
 Pull up a chair, I think I'll stay  
 Set' it up, 'cos I'm going nowhere

There's too much I need to remember,  
 and there's too much I need to say

All of my life, I've been looking  
 But it's hard to find the way  
 Just reaching past the goal in front of me  
 While what's important just slips away  
 And it doesn't come back but I'll be looking  
 All of my life

(CHORUS)  
 (Solo)

All of my life, there have been regrets  
 That I didn't do all I could  
 Playing records upstairs, while he watched TV  
 I didn't spend the time I should  
 It's a memory I will live with  
 All of my life
