[Primeira Parte]

Could've given you everything that you need
 But I cannot turn back the years
 The perfect love was all you wanted from me
 But I cannot turn back the years

[Refrão]

So we have to be strong, and I'm finding that hard
 To move on, but no matter how hard I try
 If your heart's in pieces, you look for the truth
 And when I look deep down inside I know, it's too bad I love you

Too bad I love you
 Too bad I love you

(A D Bm E)
 (A D Bm E)

[Segunda Parte]

Sometimes hits me in the morning, hits me at night
 That I cannot turn back the years
 So I look out my window, turn off my light
 But I cannot turn back the years

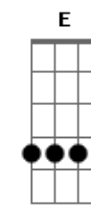

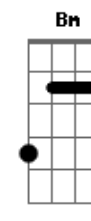

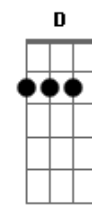

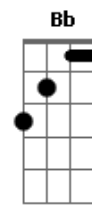

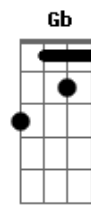

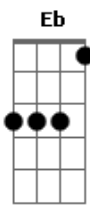

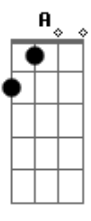

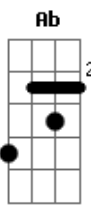

[Refrão]

Can't make it seem easy, when you're all that I see
 Can't live in a dream and I won't serenade the truth
 People are hurting and they're looking to me
 And I look at you there's nothing more to say, it's too bad I love you

[Ponte]

But I'm never going to (Give it up, give it up)

Acordes

No I love you and I'm never going to (Give it up, give it up)

I'll keep holding on to you (Give it up, give it up)

And I'm never going to give it up (Give it up, give it up)

(A D Bm E)

 (A D Bm E)
 [Terceira Parte]

All that I lived for, all that I dreamed
 But I cannot turn back the years
 You're the water I drink, you're the air that I breathe
 But I cannot turn back the years

[Refrão]

So we have to be strong, and I'm finding that hard
 We have to move on, but no matter how hard I try
 If your heart's in pieces, you look for the truth
 And when I look deep down inside I know, it's too bad I love you

[Final]

But I'm never gonna

(Give it up, give it up)
 No, no, no never gonna

(Give it up, give it up)
 It's here to stay and I'm never

(Give it up, give it up)
 Never gonna give it up, never gonna

(Give it up, give it up)
 No I'm never gonna give it up

(Give it up, give it up)
 Never gonna give it up

(Give it up, give it up)
 No I'm never gonna give it up

(Give it up, give it up)
 You know you mean too much to me

(Give it up, give it up)
