You could've let me know F G You could've tried to see the distance between us But it seemed too far for you to go C Em F G C Em F G Tell me do you remember... ?

Em7 Am Though all of my life Em7 Am Is spite of all the pain Em7 Am You know how people are funny sometimes Dm Cos they just can't wait G To get hurt again

C Em F G C Em F G Tell me do you remember...?

There things we won't recall Feelings we will never find It's taken so long to see it Cos we never seemed to have the time

There was always something more important to do More important to say And "I love you", wasn't one of those things But now it's too late

Do you remember... ?
