

# Phil Collins - We Wait And We Wonder

Tom: **Ab**

(com acordes na forma de **G**)  
Capostrate na 1ª casa

Last bit of the bagpipe (you miss the slide and change quicker)

Tuning: Standard (Capo 1)

(Not the right chord names, but it's easier just to name them that)

Verse:

**G** **D** **E**  
We stand, hang our heads disbelieving  
**G** **D** **E**  
then not knowing how could such a thing be wrong  
**G** **D** **E**  
we wonder just what they must be thinking  
**G** **D** **E**  
to take a life of one so young

Pre-Chorus:

**E** **D** **E**  
So tell me.. when will it be over now, how soon?  
**E** **D** **E**  
how far must we go, to prove to you?

Verse:

We wait and we wonder how this happened  
killing the old, the innocent, the young  
while sons follow in fathers footsteps not understanding  
that what they do could somehow be so wrong

**E** **D** **E**  
So tell me.. when will it be over now, how soon?  
**E** **D** **E**  
how far must we go, to prove to you?

**G** **D** **E**  
So we will wait and we'll wonder

Interlude: **G D E**

Verse:

No regrets, no forgiveness, no compasssion  
these brave heroes only know to hit and run  
slowly my sadness turns to rage and we wonder  
how can these scars ever heal, when all is said and done

**E** **D** **E**  
So tell me.. when will it be over now, how soon?  
**E** **D** **E**  
how far must we go, to prove to you?  
**E** **D** **E**  
Please tell me..when will it be over now, how soon?  
**E** **D** **E**  
how far must we go, to prove to you?  
**G** **D** **E**  
So we wait and we wonder
