

Phil Collins - Who Said I Would

Tom: **A**

Main groove

(**F Bb F C**)

I know she says she wants me

I hear it every day

And I know she know it keeps me

Well there ain't no other way

.
.....**Db**.....**Eb**

But she's got a heart must be made of stone

.
.....**Db**

Cos when I tell her

.
.....**Eb**
that she'll miss me when I'm gone
She says "Who said I would?"

.
She knows it ain't easy for a simple boy like me
She fills me full of loving
Oh then she sets me free
But she's got a heart must be made of stone
Cos when I tell her that she'll miss me when I'm gone
She says
Who said I would, tell me, who said I would
Who said I would, who said I would

.
F
F9.F..Eb
I'm not the only one but I do fine
I suit her purpose and I'm just her kind

.
G
G9.G.F
I don't own her and I never could
Don't think I do, don't think I should
Tell me
Who said I would, who said I would
But she's got a heart must be made of stone
And when I tell her that she'll miss me when I'm gone
You're not the only one but you do fine
You suit my purpose and you're just my kind
I don't own me and you never could
Don't think you do, don't think you should
Who said I would (who said I would)
Now she knows when she calls me
I'll come running every time
And she knows she gets me hot
But she don't know it's her body never mine
And she's got a heart must be made of stone
Cos when I tell her that she'll miss me when I'm gone
She says
Who said I would, tell me, who said I would
Who said I would, who said I would

.
Doesn't Anybody Stay Together Anymore
Eb.....**Ab**.....**Db**.....**Eb**
You keep on walking so you don't fall down

.
.....**Ab**.....**Db**.....**Ab**.....**Db**
It's the same old story
You keep on hiding so you can't be found
It's the same old story

.
.....**Bbm**.....**Eb**.....**Ab**.....**Db**
Oh but I know you, you're the one who ran

.
Bbm.....**Eb**.....**Ab**.....**Db**..**Ab**
You know why, it's because you can, oh

.
Bbm.....**Eb**.....**Ab**.....**Db**
It's alright, cos I don't mind

.
....**Bbm**.....**Eb**.....**Ab**.....**Eb**..**Fm**
I'm just trying to help, but I wonder why

.
Eb.....**Fm**.....**Eb**.....**Fm**
Doesn't anybody stay together anymore
I wonder why, doesn't anybody stay together anymore

My friends keep falling and they can't get up
It's the same old story
Well one says white and the other one black
It's the same old story
And I don't know why you keep emotions walled up
Your heart's on your sleeve,
but your sleeve is rolled up
But it's alright, cos I don't mind
I'm just trying to help, but I wonder why
Doesn't anybody stay together anymore
I wonder why, doesn't anybody stay together anymore

.
Db.....**Eb**.....**Ab**..**Eb**..**Fm**
Things can change, from a misunderstanding

.
Bbm....**Ab**..**Db**..**Eb**..**Ab**..**Db**
Nobody talks, nobody hears, oh oh oh

.
Bbm7
Makes me wonder
why, doesn't anybody stay together anymore
Oh I wonder why, doesn't anybody stay together anymore
You keep on looking for that higher ground
It's the same old story
Your glass is empty and the chips are down
It's the same old story
But I don't know why, your emotions walled up
Your heart's on your sleeve, but your sleeve is rolled up
But it's alright, cos I don't mind
I'm just trying to help, but I wonder why
Doesn't anybody stay together anymore
I wonder why, doesn't anybody stay together anymore
Oh I wonder why, doesn't anybody stay together anymore

Inside Out
C.....**Bbmaj9**
Inside out,
. **Gm7**....**F**....**C**.....**Bbmaj9**
ooh you got me inside out
Oh inside out, oh inside out
. **C**.....**Bbmaj9**.....**Gm7**.....**F**
Now everybody keeps on telling me how to be

.
(similar)
And everybody tells me do what they say
Oh I'll help myself it's up to me and no-one else
But till I'm ready just keep out of my way
Inside out, ooh you got me inside out
Oh inside out, oh inside out
Now everybody's got me running round, up and down
And here I am going out of my mind
But I won't lose sight of all the, the things I'm looking for
They're coming to me and I'm taking what's mine
Inside out, ooh you got me inside out
Oh inside out, oh inside out

.
F...**C**...**F**..**Gm**
I'll play the game
We'll make the same mistakes
It's all the same
If we can give and take

.
Gm.....**Dm7**....**Am**..**Bbmaj9**
Hold on, hold on, ooh ooh
Hold on, hold on, ooh
Inside out, ooh you got me inside out
Oh inside out, oh inside out
All of my life I've been searching and hanging on
Turning a corner, never know what I'd find
But now I'm back again like I never went away
Ooh let me in I'm through with wasting my time
Inside out, ooh you got me inside out
Oh inside out, oh inside out
Oh inside out, ooh you got me inside out
Oh inside out, oh inside out

This Must Be Love
 Dm.....Am7..Gm7.....Am7
 It must be love, I'm feeling
 .
 (similar)
 This must be love
 Oh this must be love, I'm feeling
 .
 Dm.....Am7..Gm7
 This must be love
 .
 F.....G
 Well I wait in every day,
 .
 Bb.....F.....C..Dm7
 just in case, you decide to call
 .
G
 And I can hardly wait,
 .
 Gm7.....Am7.....A
 'cos I never thought time could pass so slowly
 .
 It must be love, I'm feeling
 This must be love
 Oh this must be love, I'm feeling
 This must be love
 .
 Happiness is something I never thought I'd feel again,
 but now I know it's you that I've been looking for
 And day by day more and more
 .
 Gm7.....F7M
 I know what you think, you've heard it before
 .
 Gm7.....F7M
 Don't tell me I know
 .
 Gm7.....Am7
 But this feeling inside my heart,
 .
E
 You know I'm never letting go
 .
 A...A
 'Cos I think that...
 .
 It must be love, I'm feeling
 This must be love
 Oh this must be love, I'm feeling
 This must be love
 .
 Words can only say so much
 It's hard to express
 The things you do to me
 You're everything I could ever dreamed you'd be
 .
 This must be love, I'm feeling
 This must be love
 Oh this must be love, I'm feeling
 This must be love...
 I Cannot Believe It's True
 C.....F7M.....Em7..Dm7
 When I opened your letter yesterday
 .
 C.....Dm7
 I could not believe my eyes
 .
 (similar)
 'Cos I've already given all I have to give
 And I think it must have slipped your mind
 But I remember not so long ago
 I gave it all,
 .
F
 it's gone
 .
G
 And I gave it all to you
 .
Em
 Now I'm living on borrowed time,
 .
 Am..G....F#m7-5
 but it's mine
 Oh, d'you hear me?
 .

F7M.....Em7
 I cannot believe it's true
 .
 Dm7.....F7M.....Em7
 Are you really doing the things you do.
 .
 Dm7..F7M.....Em7..Dm7....C
 No I cannot believe it's you, really you
 .
 Oh these people I'm talking to don't understand
 They don't seem to realize
 They're listening but they're not hearing me
 They're being too cruel to be kind
 Any kind of feeling that I had is gone
 'Cos I gave it all, it's gone
 And I gave it all to you
 Now I'm living on borrowed time, but it's mine
 Oh, d'you hear me?
 I cannot believe it's true
 Are you really doing the things you do.
 No I cannot believe it's you, really you
 .
 Bb.....C.....Dm
 Over and over I keep on telling myself
 Over and over I hope I'm gonna make up
 Over and over I know it's really happening
 .
Bb.....C.....G
 And there's nothing that I can say
 .
 Bb.....C
 'Cos nothing can change
 .
Dm
 all the things that you've done to me
 .
 Bb.....C.....G
 Nothing can make me stay
 Oh, 'cos you know I cannot believe it's true
 Are you really doing the things you do
 No I cannot believe it's you, really you
 .
 Eb.....F
 I know it's a crying shame,
 .
Ab.....Bb
 it's all the same to you
 It seems all so well laid out
 but I cannot get through
 .
 C.....F
 Never meant it to show
 .
C.....F
 It started happening, that's all you know.
 Oh, I gave it all to you
 Now I'm living on borrowed time, but it's mine
 Oh, d'you hear me?
 I cannot believe it's true
 Are you really doing the things you do
 No I cannot believe it's you, really you
 Over and over I keep on telling myself
 Over and over I Hope I'm gonna make up
 But over and over I know it's really happening
 And there's nothing that I can say
 'Cos nothing can change all the things that you do to me
 Nothing can make me stay
 'Cos you know I cannot believe it's true
 Are you really doing the things you do
 No I cannot believe it's you, really you

Do You Know, Do You Care

Cm
 You said you would,
 you didn't and I wanna know why
 .
 F...Cm7
 And don't make no excuses
 .
 Cm
 You promised, you promised,
 you better explain
 Tho' I don't know what the use is
 .
 Cm..Cm

You said you could, you couldn't,
now why did you lie
You made it look so easy
You did it, why do it, what was your point?

Cm7
Laughing while you tease me
.
Bb.....**F**
Oh, do you know and do you care?
I said I did, I shouldn't cos the magic will go
It happened once before
You'll see it, you'll steal it and take it away
And then come back for more
Don't say you weren't, you were 'cos I saw you myself
It's too late for your reason
You're lying, you're lying, you've done it this time
I'm sick of all the cheating
Oh, well do you know and do you care?

.....**Fm**....**Gm**
'Cos I watch you
.
.....**Fm**....**Gm**..**Cm**.....**Bb**
oo every day I watch you pass me by

.....**Fm**..**Gm**
I'll get you
.
.....**Fm**..**Gm**
Yes in the end I'll get you

.....**Cm**..**Bb**..**Cm7**
Just watch me try
Oh you make it hard to be hard but I'm trying my best
Cos down inside I'm burnin'
You want it, you get it, now take it and run
I'll hide how much it's hurtin'
Oh, well do you know and do you care?
Oh, well do you know and do you care?

It Don't Matter To Me

G.....**D**.....**C**..**D**.....**G**..**D**
Well it don't matter to me what you say,

C.....**D**
what you say

(similar)
And it don't matter to me
what you're doing alright, alright.
Because I've heard it all so many times before
Just what you're saying and
I don't really want to hear it all no more, no more
Don't wanna hear it no more

.....**C**....**Em**..**D**.....**C**
Cos there's no way that you can run

Em7..**D**.....**C**....**Em7**
Cos I'm gonna find you

D C Em

D.....**C**.....**Em**..**D**.....**C**
And there's nobody that you can turn to

Em..**D**.....**C**.....**Em**..**D**.....**C**....**Em**
cos I'll be behind you just to remind you
That it don't matter to me what you say, what you say
Well it didn't matter to me what you're doing alright, alright
It seems to me it's been too easy for you for too long
So you'd better climb down before you fall and hurt your
pride, your
pride
You're gonna hurt your pride
Cos there's nowhere that you can run to
Cos I'm gonna find you
And there's no place that you can stay
Cos I'll be behind you just to remind you
Well it don't matter to me what you do
Well it don't matter to me, I'm talking to you, talking to you
Well it don't matter to me believe me
Well it don't matter to me...

Thru These Walls

C
I can hear thru' these walls

.....**Bm7**
I can hear it when they're foolin' around
I can hear thru' these walls
And I hear ev'ry sign, ev'ry sound
I can hear thru' these walls
In the dark with the shades pulled down

.....**Em**.....**D**
Ev'ry word that they say

.....**G**.....**A**
Ev'ry noise they make feels it's coming my way

G7
My fav'rite moment
Putting the glass up next to the wall
Imagination
Tho' I see nothing, I hear it all
Putting my sign up
Do not disturb me, speak or shout,

Bm....**Gbm**
inside out

.....**Bm**.....**Gbm**
Oh mind my clothes, they're all laid out
I can see thru' my windows
I can see the girls and the boys
I can see thru' my windows
And I can imagine the noise
I can see thru' my windows
I can see them playing with toys
Oh I hope it won't end
If I promise not to touch, just be a friend
Life is so lonely
I don't get high off just being me
I like pretending
Wanting to touch them, wanting to see
It's only normal
Creeping behind you, now don't shout, 'cos it's alright
They keep the windows locked and the door shut tight

Am7
Oo I'm feeling like I'm locked in a cage

.....**G**
No way in, no way out,

.....**Am7**
and it gets so lonely
Am I really asking a lot

.....**G**
Just to reach out and touch somebody

Em7.....**D**
'Cos when I look thru' my windows or open my door

G.....**A**
I can feel it all around me
I can hear thru' these walls
I can hear it when they're foolin' around
I can hear thru' these walls
And I hear ev'ry sight, ev'ry sound
I can hear thru' these walls
In the dark with the shades pulled down
Ev'ry word that they say
Ev'ry noise they make feels it's coming my way

C.....**Am7**
Ah yeah...

Don't Let Him Steel Your Heart Away
G.....**G7m**
You were lonely and you needed a friend

....**G7**
And he was there

.....**C**.....**G**
at the right time with the right smile

.
G7M
 Just a shoulder to lean on

.
 G7.....**C**
 Someone to tell you it'll all work out alright

.
 D.....**G**
 Don't let him steal your heart away

.
 C.....D.....**G**
 No, don't let him steal your heart away

.
 ||**G7M** | **G7** | **C** | **C**

.
 D.....D.....**G**
 Don't let him steal your heart away

.
 C.....D.....**G**
 No, don't let him steal your heart away
 You can look at him the way you did me
 And hold him close say you're never letting go
 But any fool can see you're fooling yourself
 But you ain't fooling me
 So don't let him steal your heart away
 No, don't let him steal your heart away

.
 C.....D.....**G**
 And don't pack my suitcase, I'll be back
 And don't take my pictures off a' the wall
 Oh, did you hear me?

.
 C.....D.....**G**.....**Am**
 Don't let him change a thing 'cos I'll be back

.
Dm
 Just tell him to pack his things

.
**G**
 and get out of your life

.
Dm
 And just give me one more chance

.
**G**
 I'll show you I'm right, I'm right
 'Cos I've been thinking
 and I know it was me leaving you lonely
 But hoping you could be strong
 But could you look at me straight
 Tell me what else can I do but say I was wrong?
 So don't let him steal your heart away
 No, don't let him steal your heart away
 Well he's gonna try to make it work for you
 Make you think your whole life's been leading to this
 But whatever you do
 Think about me and don't be fooled by his kiss
 And don't let him steal your heart away
 Please, don't let him steal your heart away
 And don't pack my suitcase, I'll be back
 And don't take my pictures off a' your wall
 Oh, did you hear me?
 Don't let him change a thing 'cos I'll be back
 Just tell him to pack his things
 and get out of your life
 And just give me one more chance
 I'll show you I'm right
 You know I'm right
 You were lonely and you needed a friend
 And he was there
 at the right time with the right smile
 Just a shoulder to lean on
 Someone to say don't you worry it'll all be alright
 But he's no good for you
 He'll make you think your whole life's been leading to this
 And whatever you do
 Think about me, oh, and don't be fooled by his kiss

Only You Know And I Know
 Main groove :
 (**Db Ab Db Eb**)
 We know you really only wanna hear
 The things we like to say
 But if I said to you please don't do it
 You do it anyway
 Sometimes I know, we gotta be cruel

Be cruel to be kind
 When I ask you, what you see in me
 You say our love is blind

.
Abm..Db.....Abm7..**Db**
 Cos only you know and I know

.
Abm.....Db..Abm7..**Db**
 The things we mean to say
 Only you know and I know
 The things we mean to say
 Whenever I think I know you better
 Better than I know myself
 I open up and give you everything
 Then you say, "O.K. what else?"
 And when I run away you always cry
 You always over react
 But I don't know if you know how you really feel
 But you better know before I get back
 Cos only you know and I know
 The things we mean to say
 Only you know and I know
 The things we mean to say

Bb.....C.....**Bb7**.....**C**
 So you can see we've still got a long long way to go

.
Bb.....C.....**C**
 I've seen all I wanna see today
 While I sit here trying to move you anyway I can
 Someone's son lies dead in a gutter somewhere
 And it would seem that we've got a long long way to go
 But I can't take it anymore

.
 F.....**Bb**...C...Dm.....**C**

Switch it off or look away
While I sit and we talk and talk and we talk some more
Someone's loved one's heart stops beating in a street
somewhere
So it would seem we've still got a long long way to go, I know
I've heard all I wanna hear today
Turn it off if you want to (turn it off if you want to)
Switch it off it will go away (switch it off it will go away)
Turn it off if you want to (turn it off if you want to)
Switch it off or look away (switch it off or look away)
Switch it off

Ooh all I could see was him running down the street

Out of the shadows and into the night

Now Billy, Billy don't you lose my number
