

# Phil Collins - Who Said I Would

Tom: A

Main groove

(F Bb F C )

I know she says she wants me  
I hear it every day  
And I know she know it keeps me  
Well there ain't no other way

.  
.....Db.....Eb

But she's got a heart must be made of stone

.  
.....Db

Cos when I tell her

.  
.....Eb  
that she'll miss me when I'm gone  
She says "Who said I would?"

.  
She knows it ain't easy for a simple boy like me  
She fills me full of loving  
Oh then she sets me free  
But she's got a heart must be made of stone  
Cos when I tell her that she'll miss me when I'm gone  
She says  
Who said I would, tell me, who said I would  
Who said I would, who said I would

.  
F  
F9.F..Eb

I'm not the only one but I do fine  
I suit her purpose and I'm just her kind

.  
G  
G9.G.F

I don't own her and I never could  
Don't think I do, don't think I should  
Tell me  
Who said I would, who said I would  
But she's got a heart must be made of stone  
And when I tell her that she'll miss me when I'm gone  
You're not the only one but you do fine  
You suit my purpose and you're just my kind  
I don't own me and you never could  
Don't think you do, don't think you should  
Who said I would (who said I would)  
Now she knows when she calls me  
I'll come running every time  
And she knows she gets me hot  
But she don't know it's her body never mine  
And she's got a heart must be made of stone  
Cos when I tell her that she'll miss me when I'm gone  
She says  
Who said I would, tell me, who said I would  
Who said I would, who said I would

.  
Doesn't Anybody Stay Together Anymore  
Eb.....Ab.....Db.....Eb

.  
.....Ab.....Db.....Ab.....Db  
It's the same old story  
You keep on hiding so you can't be found  
It's the same old story

.  
.....Bbm.....Eb.....Ab.....Db  
Oh but I know you, you're the one who ran

.  
Bbm.....Eb.....Ab.....Db...Ab  
You know why, it's because you can, oh

.  
Bbm.....Eb...Ab.....Db  
It's alright, cos I don't mind

.  
....Bbm.....Eb.....Ab.....Eb...Fm  
I'm just trying to help, but I wonder why

.  
Eb.....Fm.....Eb.....Fm  
Doesn't anybody stay together anymore  
I wonder why, doesn't anybody stay together anymore

My friends keep falling and they can't get up  
It's the same old story  
Well one says white and the other one black  
It's the same old story  
And I don't know why you keep emotions walled up  
Your heart's on your sleeve,  
but your sleeve is rolled up  
But it's alright, cos I don't mind  
I'm just trying to help, but I wonder why  
Doesn't anybody stay together anymore  
I wonder why, doesn't anybody stay together anymore

.  
Db.....Eb.....Ab..Eb..Fm  
Things can change, from a misunderstanding

.  
Bbm...Ab...Db..Eb..Cb.Db  
Nobody talks, nobody hears, oh oh oh

.  
Bbm7  
Makes me wonder  
why, doesn't anybody stay together anymore  
Oh I wonder why, doesn't anybody stay together anymore  
You keep on looking for that higher ground  
It's the same old story  
Your glass is empty and the chips are down  
It's the same old story  
But I don't know why, your emotions walled up  
Your heart's on your sleeve, but your sleeve is rolled up  
But it's alright, cos I don't mind  
I'm just trying to help, but I wonder why  
Doesn't anybody stay together anymore  
I wonder why, doesn't anybody stay together anymore  
Oh I wonder why, doesn't anybody stay together anymore

Inside Out  
C.....Bbmaj9  
Inside out,  
.   
Gm7...F....C.....Bbmaj9  
ooh you got me inside out  
Oh inside out, oh inside out  
.   
C.....Bbmaj9.....Gm7.....F  
Now everybody keeps on telling me how to be

.  
(similar)  
And everybody tells me do what they say  
Oh I'll help myself it's up to me and no-one else  
But till I'm ready just keep out of my way  
Inside out, ooh you got me inside out  
Oh inside out, oh inside out  
Now everybody's got me running round, up and down  
And here I am going out of my mind  
But I won't lose sight of all the, the things I'm looking for  
They're coming to me and I'm taking what's mine  
Inside out, ooh you got me inside out  
Oh inside out, oh inside out

.  
F...C...F...Gm  
I'll play the game  
We'll make the same mistakes  
It's all the same  
If we can give and take

.  
Gm.....Dm7....Am..Bbmaj9  
Hold on, hold on, ooh ooh  
Hold on, hold on, ooh  
Inside out, ooh you got me inside out  
Oh inside out, oh inside out  
All of my life I've been searching and hanging on  
Turning a corner, never know what I'd find  
But now I'm back again like I never went away  
Ooh let me in I'm through with wasting my time  
Inside out, ooh you got me inside out  
Oh inside out, oh inside out  
Oh inside out, ooh you got me inside out  
Oh inside out, oh inside out

This Must Be Love  
Dm.....Am7..Gm7.....Am7  
It must be love, I'm feeling  
.  
(similar)  
This must be love  
Oh this must be love, I'm feeling  
.  
Dm.....Am7..Gm7  
This must be love  
.  
F.....G  
Well I wait in every day,  
.  
Bb.....F.....C..Dm7  
just in case, you decide to call  
.  
.....G  
And I can hardly wait,  
.  
Gm7.....Am7.....A  
'cos I never thought time could pass so slowly  
.  
It must be love, I'm feeling  
This must be love  
Oh this must be love, I'm feeling  
This must be love  
.  
Happiness is something I never thought I'd feel again,  
but now I know it's you that I've been looking for  
And day by day more and more  
.  
Gm7.....F7M  
I know what you think, you've heard it before  
.  
Gm7.....F7M  
Don't tell me I know  
.  
Gm7.....Am7  
But this feeling inside my heart,  
.  
.....E  
You know I'm never letting go  
.  
A...A  
'Cos I think that...  
.  
It must be love, I'm feeling  
This must be love  
Oh this must be love, I'm feeling  
This must be love  
.  
Words can only say so much  
It's hard to express  
The things you do to me  
You're everything I could ever dreamed you'd be  
.  
This must be love, I'm feeling  
This must be love  
Oh this must be love, I'm feeling  
This must be love...  
I Cannot Believe It's True  
C.....F7M.....Em7..Dm7  
When I opened your letter yesterday  
.  
C.....Dm7  
I could not believe my eyes  
.  
(similar)  
'Cos I've already given all I have to give  
And I think it must have slipped your mind  
But I remember not so long ago  
I gave it all,  
.  
.....F  
it's gone  
.  
.....G  
And I gave it all to you  
.  
.....Em  
Now I'm living on borrowed time,  
.  
Am..G...F#m7-5  
but it's mine  
Oh, d'you hear me?  
.

F7M.....Em7  
I cannot believe it's true  
.  
Dm7.....F7M.....Em7  
Are you really doing the things you do.  
.  
Dm7.F7M.....Em7..Dm7....C  
No I cannot believe it's you, really you  
.  
Oh these people I'm talking to don't understand  
They don't seem to realize  
They're listening but they're not hearing me  
They're being too cruel to be kind  
Any kind of feeling that I had is gone  
'Cos I gave it all, it's gone  
And I gave it all to you  
Now I'm living on borrowed time, but it's mine  
Oh, d'you hear me?  
I cannot believe it's true  
Are you really doing the things you do.  
No I cannot believe it's you, really you  
.  
Bb.....C.....Dm  
Over and over I keep on telling myself  
Over and over I hope I'm gonna make up  
Over and over I know it's really happening  
.  
.....Bb.....C.....G  
And there's nothing that I can say  
.  
Bb.....C  
'Cos nothing can change  
.  
.....Dm  
all the things that you've done to me  
.  
Bb.....C.....G  
Nothing can make me stay  
Oh, 'cos you know I cannot believe it's true  
Are you really doing the things you do  
No I cannot believe it's you, really you  
.  
Eb.....F  
I know it's a crying shame,  
.  
.....Ab.....Bb  
it's all the same to you  
It seems all so well laid out  
but I cannot get through  
.  
C.....F  
Never meant it to show  
.  
.....C.....F  
It started happening, that's all you know.  
Oh, I gave it all to you  
Now I'm living on borrowed time, but it's mine  
Oh, d'you hear me?  
I cannot believe it's true  
Are you really doing the things you do  
No I cannot believe it's you, really you  
Over and over I keep on telling myself  
Over and over I Hope I'm gonna make up  
But over and over I know it's really happening  
And there's nothing that I can say  
'Cos nothing can change all the things that you do to me  
Nothing can make me stay  
'Cos you know I cannot believe it's true  
Are you really doing the things you do  
No I cannot believe it's you, really you

#### Do You Know, Do You Care

Cm  
You said you would,  
you didn't and I wanna know why  
.  
F...Cm7  
And don't make no excuses  
.  
Cm  
You promised, you promised,  
you better explain  
Tho' I don't know what the use is  
.  
Cm7..Cm

You said you could, you couldn't,  
now why did you lie  
You made it look so easy  
You did it, why do it, what was your point?

**Cm7**  
Laughing while you tease me  
.  
**Bb**.....**F**  
Oh, do you know and do you care?  
I said I did, I shouldn't cos the magic will go  
It happened once before  
You'll see it, you'll steal it and take it away  
And then come back for more  
Don't say you weren't, you were 'cos I saw you myself  
It's too late for your reason  
You're lying, you're lying, you've done it this time  
I'm sick of all the cheating  
Oh, well do you know and do you care?

.....**Fm**....**Gm**  
'Cos I watch you  
.  
.....**Fm**....**Gm**..**Cm**.....**Bb**  
oo every day I watch you pass me by

....**Fm**..**Gm**  
I'll get you  
.  
.....**Fm**....**Gm**  
Yes in the end I'll get you

....**Cm**...**Bb**..**Cm7**  
Just watch me try  
Oh you make it hard to be hard but I'm trying my best  
Cos down inside I'm burnin'  
You want it, you get it, now take it and run  
I'll hide how much it's hurtin'  
Oh, well do you know and do you care?  
Oh, well do you know and do you care?

It Don't Matter To Me

**G**.....**D**.....**C**..**D**.....**G**...**D**  
Well it don't matter to me what you say,  
.  
**C**.....**D**  
what you say  
.  
(similar)  
And it don't matter to me  
what you're doing alright, alright.  
Because I've heard it all so many times before  
Just what you're saying and  
I don't really want to hear it all no more, no more  
Don't wanna hear it no more  
.  
.....**C**....**Em**..**D**.....**C**  
Cos there's no way that you can run  
.  
**Em7**..**D**.....**C**....**Em7**  
Cos I'm gonna find you  
.  
**D C Em**  
.  
**D**.....**C**.....**Em**..**D**.....**C**  
And there's nobody that you can turn to  
.  
**Em**..**D**.....**C**.....**Em**..**D**.....**C**....**Em**  
cos I'll be behind you just to remind you  
That it don't matter to me what you say, what you say  
Well it didn't matter to me what you're doing alright, alright  
It seems to me it's been too easy for you for too long  
So you'd better climb down before you fall and hurt your  
pride, your  
pride  
You're gonna hurt your pride  
Cos there's nowhere that you can run to  
Cos I'm gonna find you  
And there's no place that you can stay  
Cos I'll be behind you just to remind you  
Well it don't matter to me what you do  
Well it don't matter to me, I'm talking to you, talking to you  
Well it don't matter to me believe me  
Well it don't matter to me...

.  
Thru These Walls  
**C**  
I can hear thru' these walls  
.  
.....**Bm7**  
I can hear it when they're foolin' around  
I can hear thru' these walls  
And I hear ev'ry sign, ev'ry sound  
I can hear thru' these walls  
In the dark with the shades pulled down  
.  
.....**Em**.....**D**  
Ev'ry word that they say  
.  
.....**G**.....**A**  
Ev'ry noise they make feels it's coming my way  
.  
**G7**  
My fav'rite moment  
Putting the glass up next to the wall  
Imagination  
Tho' I see nothing, I hear it all  
Putting my sign up  
Do not disturb me, speak or shout,  
.  
**Bm**....**Gbm**  
inside out  
.  
.....**Bm**.....**Gbm**  
Oh mind my clothes, they're all laid out  
I can see thru' my windows  
I can see the girls and the boys  
I can see thru' my windows  
And I can imagine the noise  
I can see thru' my windows  
I can see them playing with toys  
Oh I hope it won't end  
If I promise not to touch, just be a friend  
Life is so lonely  
I don't get high off just being me  
I like pretending  
Wanting to touch them, wanting to see  
It's only normal  
Creeping behind you, now don't shout, 'cos it's alright  
They keep the windows locked and the door shut tight  
.  
**Am7**  
Oo I'm feeling like I'm locked in a cage  
.  
.....**G**  
No way in, no way out,  
.  
.....**Am7**  
and it gets so lonely  
**Am** I really asking a lot  
.  
.....**G**  
Just to reach out and touch somebody  
.  
**Em7**.....**D**  
'Cos when I look thru' my windows or open my door  
.  
**G**.....**A**  
I can feel it all around me  
I can hear thru' these walls  
I can hear it when they're foolin' around  
I can hear thru' these walls  
And I hear ev'ry sight, ev'ry sound  
I can hear thru' these walls  
In the dark with the shades pulled down  
Ev'ry word that they say  
Ev'ry noise they make feels it's coming my way  
.  
**C**.....**Am7**  
Ah yeah...

Don't Let Him Steel Your Heart Away  
**G**.....**G7M**  
You were lonely and you needed a friend  
.  
....**G7**  
And he was there  
.  
.....**C**.....**G**  
at the right time with the right smile

.  
**G7M**  
 Just a shoulder to lean on  
 .  
 G7.....C  
 Someone to tell you it'll all work out alright  
 .  
 D.....G  
 Don't let him steal your heart away  
 .  
 C.....D.....G  
 No, don't let him steal your heart away  
 .  
 ||**G7M** | **G7** | **C** | **C**  
 .  
 D.....D.....G  
 Don't let him steal your heart away  
 .  
 C.....D.....G  
 No, don't let him steal your heart away  
 You can look at him the way you did me  
 And hold him close say you're never letting go  
 But any fool can see you're fooling yourself  
 But you ain't fooling me  
 So don't let him steal your heart away  
 No, don't let him steal your heart away  
 .  
 C.....D.....G  
 And don't pack my suitcase, I'll be back  
 And don't take my pictures off a' the wall  
 Oh, did you hear me?  
 .  
 C.....D.....G.....Am  
 Don't let him change a thing 'cos I'll be back  
 .  
**Dm**  
 Just tell him to pack his things  
 .  
 .....G  
 and get out of your life  
 .  
**Dm**  
 And just give me one more chance  
 .  
 .....G  
 I'll show you I'm right, I'm right  
 'Cos I've been thinking  
 and I know it was me leaving you lonely  
 But hoping you could be strong  
 But could you look at me straight  
 Tell me what else can I do but say I was wrong?  
 So don't let him steal your heart away  
 No, don't let him steal your heart away  
 Well he's gonna try to make it work for you  
 Make you think your whole life's been leading to this  
 But whatever you do  
 Think about me and don't be fooled by his kiss  
 And don't let him steal your heart away  
 Please, don't let him steal your heart away  
 And don't pack my suitcase, I'll be back  
 And don't take my pictures off a' your wall  
 Oh, did you hear me?  
 Don't let him change a thing 'cos I'll be back  
 Just tell him to pack his things  
 and get out of your life  
 And just give me one more chance  
 I'll show you I'm right  
 You know I'm right  
 You were lonely and you needed a friend  
 And he was there  
 at the right time with the right smile  
 Just a shoulder to lean on  
 Someone to say don't you worry it'll all be alright  
 But he's no good for you  
 He'll make you think your whole life's been leading to this  
 And whatever you do  
 Think about me, oh, and don't be fooled by his kiss

Only You Know And I Know  
 Main groove :  
 (Db Ab Db Eb )  
 We know you really only wanna hear  
 The things we like to say  
 But if I said to you please don't do it  
 You do it anyway  
 Sometimes I know, we gotta be cruel

Be cruel to be kind  
 When I ask you, what you see in me  
 You say our love is blind  
 .  
 .....Abm..Db....Abm7..Db  
 Cos only you know and I know  
 .  
 ....Abm.....Db..Abm7..Db  
 The things we mean to say  
 Only you know and I know  
 The things we mean to say  
 Whenever I think I know you better  
 Better than I know myself  
 I open up and give you everything  
 Then you say, "O.K. what else?"  
 And when I run away you always cry  
 You always over react  
 But I don't know if you know how you really feel  
 But you better know before I get back  
 Cos only you know and I know  
 The things we mean to say  
 Only you know and I know  
 The things we mean to say  
 .  
**Gb**

 While I sit here trying to think of things to say  
 Someone lies bleeding in a field somewhere

 .  
**Bb**.....**C**.....**C**  
 I've seen all I wanna see today  
 While I sit here trying to move you anyway I can  
 Someone's son lies dead in a gutter somewhere  
 And it would seem that we've got a long long way to go  
 But I can't take it anymore

Someone's loved one's heart stops beating in a street  
somewhere  
So it would seem we've still got a long long way to go, I know  
I've heard all I wanna hear today  
Turn it off if you want to (turn it off if you want to)  
Switch it off it will go away (switch it off it will go away)  
Turn it off if you want to (turn it off if you want to)  
Switch it off or look away (switch it off or look away)  
Switch it off  
Turn it off
