

Phil Collins - You Can't Hurry Love

Tom: B

I need love, love to ease my mind
and I need to find time, someone to call mine.

My Mama said:

You can't hurry love no you just have to wait.
She said: Love don't come easy, but it's a game of give and take.

You can't hurry love. No you'll just have to wait.
Just trust on a good time, no matter how long it takes.

How many heartaches must I stand,
before I find the love to let me live again.
Right now the only thing, that keeps me hangin' on,
when I feel my strength, oh it's almost gone, I remember Mama said:

You can't hurry love no you just have to wait.
She said: Love don't come easy, but it's a game of give and take.

How long must I wait? How much more must I take,
before loneliness will cause my heart, heart to break?

No I can't bear to live my life alone.
I grow impatient for a love to call my own.
But when I feel that I, I can't go on.
Well these Precious words keep me hangin' on, I remember Mama said:

You can't hurry love no you just have to wait.
She said: Love don't come easy, but it's a game of give and take.

You can't hurry love. No you'll just have to wait.
Just trust on a good time, no matter how long it takes.

Now break!

Now love, love don't come easy,
but I keep on waiting, anticipating
for that soft voice to talk to me at night,
for some tender arms to hold me tight.
I keep waiting, oh 'till that say,
but it ain't easy no, you know it ain't easy- My Mama said:

You can't hurry love no you just have to wait.
She said: Love don't come easy, but it's a game of give and

take.

You can't hurry love. No you'll just have to wait.
Just trust on a good time, no matter how long it takes

Can't Stop Loving You
Intro: C G Am F

so you're leaving
in the morning
on the early train
I could say everything's alright
I could pretend and say good bye
got your ticket
got your suitcase
got your leaving smile
I could say that's the way it goes
I could pretend and you won't know
that I was lying
cause I can't stop loving you
No I can't stop loving you
no, I won't stop loving you
why should I___
took a taxi
to the station
not a word was said
I saw you walk across the road
maybe the last time, I don't know

feeling humble
I heard a rumble
on the railway track
and when I hear the whistle blow
I walk away and you won't know
Then I'll be crying

cause I can't stop loving you
No I can't stop loving you
no, I won't stop loving you
why should I___
Why should I even try? I'll always be here by your side
Why, why, why? I never want it to say
Why, why, even try?

I'll always be here if you change, change your mind

 It's been a long hard road, and the end is getting near.

 What have you got to say
 If we agree that we can disagree
 We could stop all of this today
 It's been your life for as long as you can remember
 But you cannot fight no more
 You must want to look your son in the eyes
 When he asks you what you did it for
 'Cos all day long he was fighting for you
 And he didn't even know your name
 Young men come and young men go
 But life goes on just the same

Do You Remember?
 Intro: |: F | Am | Bb | C :|

 There's a look I can't describe in your eyes

Gm7.....Am7
 If we could try, like we tried before

 When you kept on telling me those lies?

.....F...Am7
 (telling me lies)

Do you remember?
 There seemed no way to make up
 'Cos it seemed your mind was set
 And the way you looked it told me
 It's a look I know I'll never forget
 You could've come over to my side
 You could've let me know
 You could've tried to see the difference between us
 But it seemed too far for you to go.
 Do you remember...?

Am7.....Dm
 In spite of all the pain

Am7.....Dm
 You know people are funny sometimes

Gm7

 To get hurt again
 Do you remember...?
 There are things we won't recall
 Feelings we'll never find
 It's taken so long to see it
 Cos we never seemed to have the time
 There was always something more important to do
 More important to say
 But "I love you" wasn't one of those things
 And now it's too late
 Do you remember...?

Something Happened On The Way To Heaven

 How many times can I say I'm sorry
 How can something so good go so bad
 How can something so right go so wrong
 I don't know, I don't have all the answers

 To segregate the black and white
 But when the dust settles
 And the blood stops running
 How do you sleep at night?
 No matter what you say...
 What makes you so high and mighty

What makes you so qualified
You can sit there and say
How many have their freedom
But how many more have died
You decide to sit in judgement
Trying to play God yourself
Someday soon the buck is gonna stop
Stop with you and noone else

The bubble's just about to burst
Tell them they'd better beware
The word is on the street
Get up on your feet and shout
Stop, look down, everybody
Do you see what's going on
Around you, stop...

Gm7.....Fm7
Watching you 'til all your work is done
When you find your heart, you'd better run with it
Cos when she comes along, she could be breaking it
No there's nothing wrong, you're learning to be strong
Don't look back
She may soon be gone, no don't look back
She's not the only one, remember that
If your heart is beating fast, then you know she's right
If you don't know what to say, well, that's all right
You don't know what to do?
Remember she is just as scared as you
Don't be shy, even when it hurts to say
Remember, you're gonna get hurt someday, anyway
Then you must lift your head, keep it there
Remember what I said
I'll always be with you don't forget
Just look over your shoulder I'll be there.
If you look behind you, I will be there.
