

Phillip Long - Caiçara

Tom: Bb

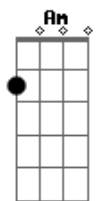

(com acordes na forma de Capotraste na 3ª casa G)

I want to dump my ashes on a river
 I want to end my life into the sea
 You know, go with the fishes
 Where things are vast and deep
 Like an old fisherman
 You can't be free if you're not ready to be part of it
 You can't be free if you don't respect the falling leaves

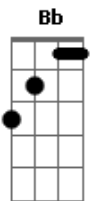

You won't be free without taking the risk

I want to live my life without a castle
 I want to live my life without that ghost
 You know, like some kind of gipsy
 Always on the road
 Body and soul
 You can't be free if you're not ready to be part of it
 You can't be free if you don't respect the falling leaves
 You won't be free without taking the risk
