

Phillip Long - How Deep Does It Go

Tom: Bb

(com acordes na forma de Capostrate na 3ª casa G)

I'm sleeping bad, i'm feeling tired
 But i'm not dead, God knows i'm hard enough
 Just gimme something to swallow
 Another pill, something that heals

How deep does it go, when you're feeling lonely?

How deep does it go, when nobody is home?

How deep does it go, when you're on your own?

How deep does it go?

It's so hard to keep yourself clean
 When you're flerting with the hurricane
 Failure is a lonely dance
 When you're nothing but a strange

How deep does it go, when you're feeling lonely?

How deep does it go, when nobody is home?

How deep does it go, when you're on your own?

How deep does it go?
