

Phillip Long - Letícia

Tom: Eb

(com acordes na forma de Capotraste na 3ª casa

Letícia has a pact
 A pact with the sun
 And everytime that she goes away
 She puts the sun on her baggage
 And it's raining in this place
 Since the day that she's gone

C)

It's raining

Letícia has a tattoo
 In her back, it means happiness
 I think that is the best way to define her
 And it's raining in this place
 Since the day that she's gone
 It's raining
 It's raining
 raining
