

# Phillip Long - Once (In The Name Of Love)

Tom: D

(com acordes na forma de Capotraste na 7ª casa G )

Once she teased me by the morning  
 And I, I scratched her back  
 I carved my nails deep in her skin  
 And I, I squeezed her neck  
 In the name of love  
 Once she teased me, four in the morning  
 And I, I kissed her chest  
 I shake the devil's hands  
 And I taste his apple with no regrets  
 In the name of love  
 Uhhhhhh uhhh  
 Uhhhhh uuhhhh  
 Victoria, Victoria, Victoria

Victoria, Victoria, Victoria  
 Once she teased me by the morning  
 And I, I scratched her back  
 I carved my nails deep in her skin  
 And I, I squeezed her neck  
 In the name of love  
 Once she teased me at four in the morning  
 And I, I kissed her chest  
 I shake the devil's hands  
 And I taste his apple with no regrets  
 In the name of love  
 Uhhhhhh uhhh  
 Uhhhhh uuhhhh  
 Victoria, Victoria, Victoria
