

Phillip Long - So You Don't Think Twice

Tom: **Bb**

(com acordes na forma de **G**)
Capostrate na 3ª casa

So you don't think twice

Go ahead and don't think twice, do you?

Who am I to criticize?

But baby you're following a straight line, aren't you?

It's not my fault

You've been acting like an outlaw

Easy tigrass, you can fall

Oh I just want to help you

Oh I just want to help you

Study all your moves

Oh I just want to hold you

So you don't have any alibi

Just a strange desire, do you?

How much time you can sustain this lie?

You're just chasing the spotlight, aren't you?

Don't talk so loud

You've been acting like an outlaw

Easy tigrass, you can fall

Oh I just want to help you

Oh I just want to help you

Study all your moves

Oh I just want to hold you

So you don't have any alibi

So you don't have any alibi

Don't talk so loud

You've been acting like an outlaw

Easy tigrass, you can fall

Oh I just want to help you

Oh I just want to help you

Study all your moves

Oh I just want to hold you
