

Phillip Long - We Were Giants

Tom: A

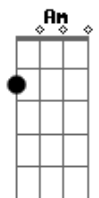

(com acordes na forma de Capostraste na 2ª casa G)

We were giants
 Baby, look at us now
 We've become so small
 That crack in our wall
 Just grows and grows
 Yeah, we've got to hold on
 God only knows what happened with us
 God only knows what happened with us
 We used to be giants

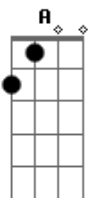

Used to be giants

We were giants
 Baby, look at us now
 We've become so small
 That crack in our wall
 Just grows and grows
 Yeah, we've got to hold on
 God only knows what happened with us
 God only knows what happened with us
 We used to be giants
 Used to be giants
