

# Phillip Long - You Brought Me Here

Tom: D

You brought me here  
 To the state that I'm in  
 And I fell on my knees  
 With my mouth on your skin  
  
 You brought me right to the sin  
 How can I fucking resist?  
 Over your mountains  
 I spread my seeds  
 And now you have a part of me

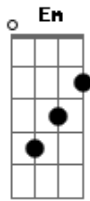

And now you have a part of me

You brought me here  
 To the state that I'm in  
 And I fell on my knees  
 With my mouth on your skin  
  
 You brought me right to the sin  
 How can I fucking resist?  
 Over your mountains  
 I spread my seeds  
 And now you have a part of me
