It?s close to midnight and something evil?s

It?s close to midnight and something evil?s lurking in the dark

Under the moonlight you see a sight that almost stops your heart

You try to scream but terror takes the sound before you make it

You start to freeze as horror looks you right between the eyes,

You?re paralyzed

'Cause this is thriller, thriller night

And no one?s gonna save you from the thing about strike

Thriller, thriller night

you're fighting for your life inside a killer, thriller night

(repete igual a primeira introdução) You hear the door slam and realize

Acordes

There?s nowhere left to run

You feel the cold hand and wonder if you?ll ever see the sun You close your eyes and hope that this is just imagination But all the while you feel the creature creepin? up behind You?re out of time

(repete igual ao refrão anterior)

'Cause this is thriller, thriller night

There ain?t no second chance against the thing with forty eyes Thriller, thriller night

You?re fighting for your life inside of killer, thriller tonight

(repete igual a primeira introdução)

They?re out to get you, there?s demons closing in on every side

They will possess you unless you change the number on your dial

Now is the time for you and I to cuddle close together All through the night I?ll save you from the terror on the screen,

I?ll make you see

That this is thriller, thriller night

'Cause I can thrill you more than any ghost would dare to try Girl, thriller, thriller night

You?re fighting for your life inside of killer,

Thriller tonight
