Phillip Phillips - Wanted Is Love

Tom: G
Intro: G G Bm C

G G Bm C
Lonely in a room no sound to fill your soul
G G Bm C
Hopes and dreams are held so close, you can't let go
G G Bm C
But you can only see when I
G G Bm C
Look into your eyes you pull me in too deep

G G Bm C
Take me in take me out till I'm
G G Bm C
Nothing more than words spoken from your sweet sweet mouth
G G Bm C
And dance around like no one can see baby
G G Bm C
Move your body with the rhythm, move your body next to me

Em C G D
Wanted is love, not going insane
Em C G D
You know you gotta hold on to what you love before it's gone away
Em C G D
Wanted is love, not going insane
Em C G D
You know you gotta hold on to what you love before it's gone away

G G Bm C
One step to you and I'm sinking in your lies
G G Bm C
Only to see the truth hidden behind your evil eyes
G G Bm C
And no light could lead me to the ways of you
G G Bm C
Is it me or am I alone it's all such mystery

Em C G D
Wanted is love, not going insane
Em C G D
You know you gotta hold on to what you love before it's gone away
