

Sam Phillips - Reflecting Light

tom:

Intro: C Am C Em

C G C7M Am C
Now that I've worn out, I've worn out the world

Dm G Dm
I'm on my knees in fascination

G Em Dm
Looking through the night

G Em C F
And the moons never seen me before

Dm G C
But I'm reflecting light

C G Em
I wrote the pain down

G Em
Got off and looked up

E Am F
Looked into your eyes

Am G
The lost open windows

Dm G
All around

Em E Am F
My dark heart lit up the skies

C C7M Am C
And now that I've worn, I've worn out the world

Dm G Dm

I'm on my knees in fascination

G Em Dm
Looking through the night

G Em C F
And the moons never seen me before

Dm G C
But I'm reflecting light

C G Em
Give up the ground

G Em
Under your feet

E Am
Hold on to nothing for good

F Dm G Em
Turn and run at the mean times

G
Chasing you

E Em Am F
Stand alone and misunderstood

C C7M Am C
And now that I've worn, I've worn out the world

Dm G Dm
I'm on my knees in fascination

G Em Dm
Looking through the night

G Em C F
And the moons never seen me before
