

# Sam Phillips - Reflecting Light

tom:

Intro: C Am C Em

C Now that I've worn out, I've worn out the world  
 Dm I'm on my knees in fascination  
 G Looking through the night  
 G And the moons never seen me before  
 Dm But I'm reflecting light

C I wrote the pain down  
 G Got off and looked up  
 E Looked into your eyes  
 Am The lost open windows  
 Dm All around  
 Em My dark heart lit up the skies

C And now that I've worn, I've worn out the world  
 Dm

I'm on my knees in fascination  
 G Looking through the night  
 G And the moons never seen me before  
 Dm But I'm reflecting light

C Give up the ground  
 G Under your feet  
 E Hold on to nothing for good  
 F Turn and run at the mean times

G Chasing you  
 E Stand alone and misunderstood

C And now that I've worn, I've worn out the world  
 Dm I'm on my knees in fascination  
 G Looking through the night  
 G And the moons never seen me before  
 Dm But I'm reflecting light
