

Phoebe Bridgers - Kyoto

tom:

Intro: **B E**

Day off in Kyoto, got bored at the temple

Looked around at the 7-11

The band took the speed train, went to the arcade

I wanted to go, but I didn't

You called me from a payphone

They still got payphones

It cost a dollar a minute

To tell me you're getting sober

And you wrote me a letter

But I don't have to read it

[Refrão]
