

# Phoebe Bridgers - Punisher

tom:  
 Db (forma dos acordes no tom de G)  
 Capotraste na 6ª casa  
 Intro: G Am C

[Primeira Parte]

When the speed kicks in  
 I go to the store for nothing  
 And walk right by  
 The house where you lived with Snow  
 White  
 I wonder if she ever thought  
 The storybook tiles on the roof were  
 Too much  
 But from the window, it's not a bad  
 Show  
 If your favorite thing's dianetics or  
 Stucco

[Pré-Refrão]

The drugstores are open all night  
 The only real reason I moved to the  
 East side  
 I love a good place to hide in plain  
 Sight

[Refrão]

What if I told you I feel like I know  
 You  
 But we never met?

[Segunda Parte]

And here everyone knows you're the way  
 To my heart  
 Hear so many stories of you at the bar  
 Most times alone and some looking your  
 Worst  
 But never not sweet to the trust funds  
 And punishers  
 Man, I wish that I could say the same  
 I swear I'm not angry, that's just my  
 Face

[Pré-Refrão]

A copycat killer with a chemical cut  
 Either I'm careless or I wanna get  
 Caught  
 Who I'm not

[Refrão]

What if I told you I feel like I know  
 You  
 But we never met?  
 It's for the best

[Final]

I can't open my mouth and forget how  
 To talk  
 'Cause even if I could, wouldn't know  
 Where to start  
 Wouldn't know when to stop
