

Phoebe Bridgers - Savior Complex

tom:

[Primeira Parte]

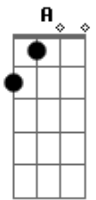

Emotional affair
 Overly sincere
 Smoking in the car, windows up
 Crocodile tears, run the tap 'til it's clear
 Drift?off?on the floor
 I?drag you to the shore
 Sweating through?the sheets
 You're gonna drown in your sleep for sure
 Wake up?and?start?a big fire
 In?our one room?apartment
 But I'm too tired
 To have a pissing contest
 All the bad dreams that you hide

Show me yours, I'll show you mine

[Segunda Parte]

Call me when you land
 I'll drive around again
 One hand on the wheel, one in your mouth
 Turn me on and turn me down
 Baby, you're a vampire
 You want blood and I promised
 I'm a bad liar
 With a savior complex
 All the skeletons you hide
 Show me yours, and I'll show you mine
 [Final]
 All the bad dreams that you hide
 Show me yours
