

# Phoebe Bridgers - The Gold

tom:  
 Capotraste na 3ª casa  
 Intro: C Em G C

C Em G  
 Couldn't really love you anymore, you've become my ceiling  
 C Em G  
 I don't think I love you anymore, that gold mine changed you  
 C Em G  
 You don't have to hold me anymore, our cave's collapsing  
 C Em G  
 I don't wanna be me anymore, my old man told me

Em G  
 You don't open your eyes for a while, you just breathe that  
 moment down

D G  
 Forty miles out of East Illinois for my old man's heart  
 attack

C Em G C  
 I believed you were crazy  
 C Em G C  
 You believed that you love me

( C Em G C )

C Em G  
 I don't wanna bark here anymore, black hills, the colly  
 C Em G  
 Wasn't really dangerous for us, we just catch you coughing  
 C Em G  
 What the hell are we gonna do, a black mile to the surface  
 C Em G  
 I don't wanna be here anymore, it all tastes like poison

C Em G

## Acordes
