

Phoenix - Sometimes In The Fall

Tom: C

[Primeira Parte]

G
Go out and tell the society
The talk of the town is on its way F
Dm
This is not bad only serious G
Do understand, don't turn your back on me F
Doesn't matter heads or tails Dm
People know my sins, I'm overwhelmed G
It's the darkest night in a long long time I've been up all night F
and walked up and down the stairs Dm
No complaints, no echoes, I'm trying to be good, ain't trying to G
behave well

[Refrão]

Sometimes in the fall, fall, fall, fall Dm Em F
G C
There'll be nothing to keep you far from me
Before I am long long long gone Dm E F
G C
There'll be nothing to keep me away

[Segunda Parte]

G
Every night at seven o'clock F
Every day at six in the morning too
Dm
People calling me up here G
Didn't even take some time to look at them F
I'm long long long long long long long long long long Dm
long long long long gone G
If you're walking around then I'll go out too
You've been awake all night I've been lying on you thinking the F
same Dm
Lonely and forsaken G
Would you mind just to try a little less?

[Refrão]

Sometimes in the fall, fall, fall, fall Dm Em F
G C
There'll be nothing to keep you far from me

Dm Em F
Before I am long long long gone G Dm C
There'll be nothing to keep me away
Dm Em F
And it goes on and on and on, til lasting G C
It's always the same when you're next to me Dm Em F
Sometimes in the fall, fall, fall, fall G Dm C
There'll be nothing to keep me away

[Terceira Parte]

G
Long long F
Lo-long gone Dm
Many eyes to see for me G
Only yours to cry on my ashes F
Long long long long long long Dm
long long long gone G F
It's the darkest night and I'm far from you Dm G F
You've been awake all night, he's a Nobel Prize, I said Dm
Many eyes to see for me G
Only yours to cry on my ashes F
Long long long long long long Dm
long long gone G
If the countdown on the Eiffel Tower could show less than ten but F
more than a hundred Dm
Tired to look at your photographs G
That night through the phone you've been asking for more

[Refrão]

C Dm Em F
Sometimes in the fall, fall, fall, fall G C
There'll be nothing to keep you far from me Dm Em F
Before I am long long long gone G C
There'll be nothing to keep me away Dm Em F
And it goes on and on and on, til lasting G C
It's always the same when you're next to me Dm Em F
Sometimes in the fall, fall, fall, fall G F Dm
There'll be nothing to keep me away
