

# Phone Trio - Crystal Clear

Tom: C

(intro) C A F G

F A G A F

Time is flying  
It's been so long since our last kiss  
And it feels like yesterday  
I wanna show you just how I feel  
But all this time I couldn't find the words to say  
And though I try and try to deny  
You're still in my mind like you never went away  
And though you treat me like shit  
I know that deep inside you might feel the same way

A F G E F (no fim tem um G)

Cause you're so special  
And I need you so  
I know that you're the only one for me

C G Ab A E F G

Cause I can't live - I can barely breathe  
When you mistreat me or retreat  
Whenever I wanna give you all my love  
It's you I need  
It's you I want to be with  
And I wonder why can't you see it  
Cause it's crystal clear to me

( C A F G )

F A G A F

No matter how I try so hard to forget my heart  
And pretend that I'm O.K.  
Keep myself from thinking of you  
I know that won't do I gotta find a better way  
If you'd give me a chance for more than a glance  
I'd show you how deep's my need for you  
And I would take you out  
And have you smile sincerely like I never seen you do

A F G E F

If you don't say no  
I know we could go  
Some place that only you and I could know

C G Ab A E F G

Cause I can't live - I can barely breathe  
When you mistreat me or retreat  
Whenever I wanna give you all my love  
It's you I need  
It's you I want to be with  
And I wonder why can't you see it  
Cause it's crystal clear to me

A F D G Ab A

And if I kissed you once again  
I'd take every single sip of your breath  
And keep it in a glass that's heart-shaped beating and lying  
inside my chest

A F G F G

And if I heard that once again  
Three words slipping through the tip of your tongue

G Ab

I'd blow myself def so that could be the last thing I would hear

A F G E F (no fim tem um G)

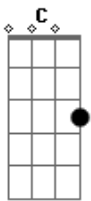

Cause you're so special  
And I need you so  
I know that you're the only one for me

C G Ab A E F G

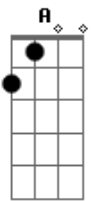

Cause I can't live - I can barely breathe  
When you mistreat me or retreat  
Whenever I wanna give you all my love  
It's you I need  
It's you I want to be with  
And I wonder why can't you see it  
Cause it's crystal clear to me  
Yeah It's crystal clear me

(termina em F)
