

Phyllis Dillon - Perfidia

Tom: G

To you G Em Am

D7 G Em Am
 My heart cries out perfidia
D7 G Em
 For I find you the love of my life
Am B
 In somebody else's arms

G Em Am D7 G Em Am
 Your eyes, are echoing perfidia
D7 G Em
 Forgetful of the promise of love
Am B

You're sharing another's charms

C B
 With a sad lament my dreams are faded like a broken melody
D B
 While the gods of love look down and laugh at what romantic
 fools we mortals be

G Em Am
 And now

D7 G Em Am
 I know my love was not for you
D7 G Em
 And so I take it back with a sigh

Am D7 G
 Perfidia's one goodbye

Acordes
