

# Picles - Névoa

Tom: D

Intro: 2x: Bm7 A

O inverno chegou, embaça o pára-brisa

Abaixo o farol pra enxergar

Se a névoa é densa, guiar é proibido

Mas estou disposto a atravessar

Ela bloqueia a minha visão

Vou me guiar pela intuição já que a cortina fechou

Lembrei do seu rosto num filme colorido

Que a luz do farol foi projetar

Assim de passagem pensei em nossa vida

Mas a chuva chegou pra atrapalhar

Refrão:

Solo 1 : (Dbm7 Dm7 ) - 2x Dbm7 D7

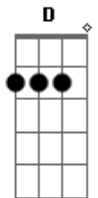

Os faróis não ajudam mais

Só consigo pensar em nós

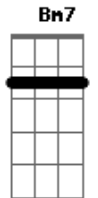

E apenas isso vai me orientar

Solo2: (Bm7 A7 ) - 2x
