

# Picles - There's Nothing To Lose

Tom: C

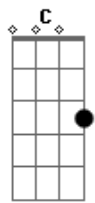

Close your eyes and you lose what will find  
 I've lost my reason, a better new decision  
 Say goodbye for my plans and go inside  
 There's nothing to lose for me and you  
 Don't know why when you come with desire  
 Everything goes better, I feel two hearts together  
 Say goodbye for my plans and go inside  
 There's nothing to lose for me, and now I'll gonna stay

But every time, I lost you, Baby  
 Uuu! In all the time, I had you

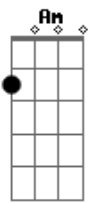

[Solo] C Am C Am G  
 Dm C F Fm

Say goodbye for my plans and go inside  
 There's nothing to lose for me, and now I'll gonna stay  
 But every time, I lost you, Baby  
 Uuu! In all the time, I had you  
 ( Don't know why, don't know why, )  
 Sometimes lose for me, sometimes lose for you  
 Sometimes lose I'll gonna say
