Eu saí pra te procurar,  
Lugar algum reconheci,  
Você nunca vi.  
Continuei a vasculhar,  
Qualquer lugar!  
Anunciei,  
Na internet entrei!

Não consegui deixar pra trás!

Eu não aguento mais!

Deu um tilt na minha cabeça,  
E perdi o rumo,  
Que será de mim! Que será de mim!  
C7 Fm7 A  
Sem explicação pela ciência,  
Sem remédio pra um corte profundo,
