Listen, do you hear my heart beat thump over the monitors?

Don't breathe in

Pieces of candy and leaks of light (leaks of light)

Paint the floor 'round me

Then without hesitating (hesitating)

You took my hand and then we both started running

Both started running
There's no place to go

Am C
Another bullet and we both started running

F
Both started running too

Am C
Save yourself, don't ever look back

F
Nowhere to go and so we both spin around in circles

[Verse]

C Am
Creeping through these labyrinths I find

Another dead end to the weekend

But is this real life?

Paper hearts turned ash begin to fly
Over our heads I begin

Screaming while the exit signs read "Heaven's waiting"

You took my hand and then we both started running

Both started running
There's no place to go

Another bullet and we both started running

Nowhere to go and so we both spin around in circles

We'll make it
