

Pierce The Veil - Disasterology

tom:
Abm
[Primeira Parte]

I laid down, I drank the poison and then
I passed the fk out
Now, let me tell you about the good life
I have a million different kinds of
Fun
When I'm asleep and in a dream that I'm
Your only one

[Refrão]

Can we create something beautiful and
Destroy it?
Nobody knows I dream about it
This is my imagination

[Segunda Parte]

If you come over tonight, we can
Travel through time
We can sleep on the ceiling and creep
Under black lights
I have a million different girls that
Hide under my bed
And when I let them out they treat me
Right

[Pre-chorus]

Oh, what a waste of a perfectly good
Clean wrist
You were screaming till the police came

[Refrão 2]

Can we create something beautiful and
Destroy it?
Nobody knows I dream about it
This is my imagination
If every living thing dies alone

What am I doing here?
If every living thing dies alone
What am I doing here?
Oh, fk it!
If it's the end of the world
If it's the end of the world
You and me should spend the rest of it
In love

Can we create something beautiful and
Destroy it?
Nobody knows I dream about it
This is my imagination
If every living thing dies alone
What am I doing here?
If every living thing dies alone
What am I doing here?
What am I doing here?
What am I doing here?
Oh, no
