Intro:

C

[Verse 1]

C

Rage in us, your thirst I'm taking,

Em Pull the plug, I'll keep on shaking.

F And thrustin' about your apartment,

C Drowned on the blankets floral and fading.

Painful lust, two aching guts,

Em They tear through each other in the mirror.

F This happy vacation, there's no motivation,

C So hold me up.

[Chorus]

Am **G** **F** You say you want to chase the moon like fire,

Am **G** **F** Well, together we can fake our own deaths here,

Am **G** **Bb** **G** Just wanna be alone and watch as you all just disappear.

C Oh, oh, oh

[Verse 2]

C

Darker now, kicked out and sleeping in your car,

Em You roll the window down, enough to dream and make-believe.

F Our lights knocked out, turned upside down,

C

And I'm just a stupid motherfucker, can't figure it out.

I want devil horns, I wanna breathe in your rush,

Em I wanna leap when you want me to fly.

C **F** But darlin', I don't mean to beg,

C But these thorns on the stem are nearly tearing up my skin.

[Chorus]

Am **G** **F** So now you wanna chase the moon like fire,

Am **G** **F** Well, together we can fake our own deaths here,

Am **G** **Bb** **G** Just wanna be alone and watch as you all just disappear.

G

[Hook]

C

Close your eyes,

Em Picture you and I,

F **C** Selling daylight for gasoline.

C

[Bridge]

Am **G** **F** So now we're gonna chase the moon like fire,

Am **G** **F** Yeah, together we can fake our own deaths here,

Am **G** **Em** **F** **Am** Just wanna be alone and watch as you all just disappear.

[Outro]

G

Em Whoa-oh-oh,

F **Am** **G** **F** Just wanna be alone and watch...

G **Am** **G** **F** **C** Why can't we be alone and watch?
