tom:
Am

Intro: C Em

[Primeira Parte]

A2 Abm7
She sits up high, surrounded by the sun

A2
One million branches and she loves every one

Abm7
"Mom and dad, did you search for me?

I've been up here so long I'm going crazy!?

[Refrão]

A2
And as the sun went down we ended up on the ground

Abm7
I heard the train shake the windows

You screamed over the sound

A2
And as we own this night

I put your body to the test with mine

Abm7
This love was out of control

A2
Where did it go?

(C Em)

[Segunda Parte]

A2
Now don't be crazy

Yes now, of course you can stay here

Abm7
Been in a touring band for going on ten years

Big deal, I guess you're official

A2
I only said it 'cause I know what it's like to feel

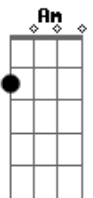

Burned out, it gets you down

Abm7
We've all been there sometimes

But tonight I'll make you feel beautiful once again

[Refrão]

'Cause I can't take anymore

I'll draw the shades and close the door
