

# Pierce The Veil - Kissing In Cars

Tom: G

G  
As we wake up in your room

C  
Your face is the first thing I see

Em7  
The first time I've seen love

G  
And the last I'll ever need

G  
You remind her that your future

C  
Will be nothing without her

Em7  
Never lose her, I'm afraid

G  
Better think of something good to say

G C  
But it's all been done more than once. I'll keep on trying

Em7 G  
Oh god don't let me be the only one who says

G C  
No, at the top of our lungs there's no No, such thing as too young

Em7 G  
Second chances won't leave you alone

G  
Then there's faith in love

G  
She was always the one

G C  
I'll repeat it again, the one. No such thing as too young

Em7  
Red lights flashing on the car we're kissing in

G G  
Call me crazy, I've always tried to remind her

C  
That the future's just a few heartbeats away

Em7  
from disaster

G  
I'm afraid that I've thrown it all away

G C  
No, at the top of our lungs there's no. No, such thing as too young

Em7 G  
Second chances won't leave you alone

G C  
No, at the top of our lungs there's no. No, such thing as too young

Em7 G  
Second chances won't leave you alone

G C  
No, we'll repeat it again, there's no. No such thing as too young

Em7 G  
Second chances won't leave you alone

G  
Cause there's faith in love

C  
If you kiss me goodnight

C  
I'll know everything' is alright

Em7 G  
Second chances won't leave us alone

Em7  
Won't leave us alone

G  
Cause there's faith in love
