

# Pierce The Veil - Resilience

tom:  
C

[Primeira Parte]

When the wildfire is over  
And everything is gone  
Incinerate my tires while  
We race into the wide open  
See, I don't really wanna  
Think about it or how it all went wrong  
Houston, there's a problem  
Someone sucked out all the sun

[Refrão]

But I'm, I'm better tonight  
Don't waste that hand  
Non-operational for anything else  
You're jealous of my resilience

Até Marvel gods

[Segunda Parte]

When the royal crown is gone and everything is ours  
(everything is ours)  
Regenerate that kind of power  
Reserved for the Marvel gods

See, I've been coming to the realization  
That all you do is shine  
Black lights to my problems

Swallow the dirt, you rotten swine

[Segunda Parte]

[Refrão]

But I'm, I'm better tonight  
Don't waste that hand  
Non-operational for anything else  
You're jealous of my resilience  
( A G E F )

And it's odd that I've been runnin' into spider webs at night  
(and it's odd)  
And it's odd that I keep runnin' into spider webs  
Runnin' into spider webs at night (and it's odd)  
( C Am F )

[Refrão]

I'm better tonight  
Don't waste that hand  
Non-operational for anything else  
You're jealous of my resilience  
My resilience  
My resilience
