Dbm

Were you honest when you said

B

I could never leave your bed

Dbm

Dbm

B

Ab7

Wake me up and let me know you're alive

Dbm

Bb

And will you fall in love again

Dbm

Is the scent slowly spreading

Dbm

Dbm

B

Ab7

I've been answering machines all night

A

Are the doctors dancing in

A

While the ambulances sing

Another boy without a sharper knife

Db

The moment, that's where I

Kill the conversation

Wrap this up

Dbm

Bb

With a knife that loves to feel

Dbm

Dbm

How do you know how deep to go before it's real

(pause) Take me home

Dbm

B

Ab7

Can I even complicate your breathing

Dbm

Dbm

B

Ab7

Well I guess I'm just your average boy

Dbm

With a knife in the back

Bb

And a grip on the grass

Dbm

It's cold and I don't want to be here

Dbm

Abm

B

Ab7

I guess I'm never comfortable or situational

A

A

Are we losing or beginning

A

Bb

To try a new life without you

Db

The moment, that's where I

Kill the conversation

Wrap this up

Dbm

Bb

Dbm

With a lie that I'm enjoying every minute with myself

Dbm

Eb

A

And she could make hell feel just like home

Dbm

Bb

Dbm

I'm never leaving her alone

A

But if your lightning lips aren't mine

Dbm

B

Then I don't know the awkward stranger to my right

A

B

I only need one hand to drive

Dbm

B

Dbm

A

When you're with me

Dbm

B

Ab

A

You are my getaway

F

Oh no

Kill the conversation

Wrap this up

So don't you ever feel alone

And don't you wish you were

Cut the lust tonight

Alright, alright tell me why my

Little Mona Lisa told a lie, lie, lie

Do you want me

Do you want to let me know that you're ok

A diamond gold ring

Customized to cut your circulation

But I couldn't let you go

No, I never let you go my dear

So keep talking cause I love to hear your voice

Your voice again

Acordes
