B

Ab7

I've been answering machines all night

While the ambulances sing

Another boy without a sharper knife

Bb

The moment, that's where I

Kill the conversation

Wrap this up

Dbm

Bb

With a knife that loves to feel

Dbm

Dbm

How do you know how deep to go before it's real

(pause) Take me home

Dbm

B

Ab7

Can I even complicate your breathing

Dbm

Dbm

B

Ab7

Dbm

With a knife in the back

Bb

And a grip on the grass

Dbm

It's cold and I don't want to be here

Dbm

Abm

B

A

Are we losing or beginning

A

Bb

To try a new life without you

The moment, that's where I

Kill the conversation

Wrap this up

Dbm

Bb

Dbm

With a lie that I'm enjoying every minute with myself

Dbm

Eb

A

And she could make hell feel just like home

Dbm

Bb

Dbm

I'm never leaving her alone

A

But if your lightning lips aren't mine

When you're with me

Dbm

Do you want me

B
