

Pierre Braga - Descobri o Amor

tom: E

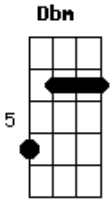

Chega de sofrer, de me sentir sozinho
 Hoje me decidi
 Vou mudar meu destino
 Chega de chorar, de reclamar da vida
 Hoje compreendi as verdades do mundo
 Eu já sofri demais
 Já chorei demais, quase desisti
 Agora encontrei a paz
 Desprezei a dor, descobri o amor

B7 E Dbm A
 De viver de ilusões
 Sem domar as paixões
 A felicidade é o maior tesouro
 Não é prata nem ouro
 É seguir rumo à luz
 Eu já sofri demais
 Já chorei demais, quase desisti
 Agora encontrei a paz
 Desprezei a dor, descobri o amor
