

# Pierre Braga - Descobri o Amor

tom: E

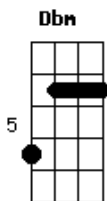

Chega de sofrer, de me sentir sozinho  
 Hoje me decidi  
 Vou mudar meu destino  
 Chega de chorar, de reclamar da vida  
 Hoje compreendi as verdades do mundo  
 Eu já sofri demais  
 Já chorei demais, quase desisti  
 Agora encontrei a paz  
 Desprezei a dor, descobri o amor

B7 E Dbm A  
 De viver de ilusões  
 Sem domar as paixões  
 A felicidade é o maior tesouro  
 Não é prata nem ouro  
 É seguir rumo à luz  
 Eu já sofri demais  
 Já chorei demais, quase desisti  
 Agora encontrei a paz  
 Desprezei a dor, descobri o amor
