

Pierre Simões - A paz

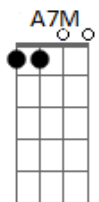

tom:

A

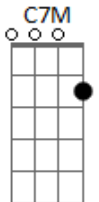

A paz invadiu o meu coração
 De repente me encheu de paz
 Como se o vento de um tufão
 Arrancasse os meus pés do chão
 Onde eu já não me enterro mais
 A paz fez um mar da revolução
 Invadir meu destino a paz
 Como aquela grande explosão
 De uma bomba sobre o Japão
 Fez nascer um Japão da paz

Eu pensei em mim
 Eu pensei em ti
 Eu chorei por nós
 Que contradição
 Só a guerra faz
 Nosso amor em paz
 Eu vim, vim parar na beira do cais
 Onde a estrada chegou ao fim
 Onde o fim da tarde é lilás
 Onde o mar arrebenta em mim
 O lamento de tantos 'ais'
