

# Pierre Simões - Coisinha Estúpida

tom: G

Existe um amor dentro de mim

Que eu não posso nem mais controlar

Se olho prá você e vejo seu jeitinho

De sorrir e de falar

É algo tão estranho

Que eu mesmo

Não consigo mais compreender

Uma coisinha estúpida

Que eu gosto de sentir

Que é amar você

Espero amorzinho

Que o meu carinho

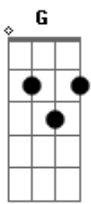

Por você não seja em vão

Entrego de presente

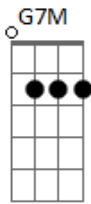

Minha vida meu destino

E o meu coração
