

# Pierre Simões - Let's Get Together

tom:

A

Love is but a song we sing

Fear's the way we die

You can make the mountains ring

Or make an angel cry

Though the bird is on the wing

And you may not know why

Come on, people, now

Smile on your brother

Ev'rybody get together

Try to love one another right now

Some may come and some may go

He shall surely pass

When the one that left us here

Returns for us at last

We are but a moment's sunlight

Fading in the grass

Come on, people, now, smile on your brother

Everybody get together, try to love one another

Right now

Come on, people, now, smile on your brother

Everybody get together. Try to love one another

Right now

If you hear the song I sing

You will understand

You hold the key to love and fear

All in your trembling hand

Just one key unlocks them both

It's there at your command

C'mon people now, smile on your brother

Ev'rybody get together, try and love one another

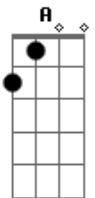

Right now

Come on, people, now, smile on your brother

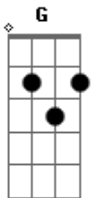

Everybody get together. Try to love one another

Right now
