

Pierre Simões - Me And You

tom:
 Give me only a smile
 Cause I don't have no time to wait
 Oh Give me only your love
 Time has passed and I need your love
 All life I've dreamed for someone like you
 And in my dreams you came to me
 I'll never go away from you
 If you look at yourself

You find me and you
 Just look at yourself
 You find me and you
 (Me and you Me and you) (back vocal)
 All life I've dreamed for someone like you
 And in my dreams you came to me
 I'll never go away from you
 If you look at yourself
 You find me and you
